Dear Parents:

As part of our focus group responses, we are trying to be more active with our online presence both on our website and social media to help with outreach efforts. This includes posting photos of the activities at church. We want to be sure that you are comfortable with your child being included in these postings. We will not post any identifying information such as names, ages, etc. However, if you would prefer your child not to be included in online posts, please just indicate that below. Thank you for your cooperation.

Sincerely,

Jennifer Cline Sargent
